VIP Services offers a dynamic range of programs, services and supports to help a diverse group of people with differing abilities to live a life characterized by dignity and purpose. Our core programs include Work/Employment Skills Training, Community Employment and Day Services. We operate a large fleet of accessible vehicles to transport seniors and people with disabilities around Walworth County and beyond along with Wal-to-Wal, a shared ride public transportation within Walworth County. Through State contract, we clean and maintain all Rest Areas within Walworth and Rock counties as well as some in Dane and Waukesha counties. Since 1970, we have helped thousands of people to live and work as valued members of our communities.
